

## **Praise for *What's Not Said***

by Valerie Taylor (She Writes Press, September 2020)

“A witty and often amusing marriage drama.” — *Kirkus Reviews*

“...a shocking novel full of secrets, twists, and turns, (with) elements of pure humor and deep love...captivating.” — *Readers' Favorite*

“...a mystery, a romance, and a tale about chance and coincidence...a book about secrets and lies and the elusive dream of a fairytale ending.” — Sherri Daley, *BookTrib.com*

“...honest, raw, and powerful...portraying the hardships of marriage, infidelity, pregnancy, and family.” — *Goodreads review*

“...a fantastic debut novel! It truly was hard to believe that this wasn't one of many that the author has written.” — *Goodreads review*

### **More from *Kirkus Reviews*:**

“Taylor's dialogue is snappy and contemporary, and the book reads like a fun romantic comedy, despite the rather heavy subject matter.”

“The protagonist's inner struggle feels genuine and heartfelt, and anyone who's lived through a divorce will find it easy to relate to her.”

### **More from *Goodreads* reviewers:**

“...I would love to have our book club discuss! Put this book on your must-read list, you won't be disappointed.”

“The writing was so good...I was surprised to read that this was a debut novel...she writes as though she's been churning out novels for years.”

“...refreshing to read a book with characters that are not in their 20s!”
